- Pillen Sheet Metal
 - CNC punching
 - CNC laser cutting
 - CNC bending up to 250 t
 - Robot welding
 - Powder coating
 - Grinding
 - Pressing (hard tools)
 - Assembling

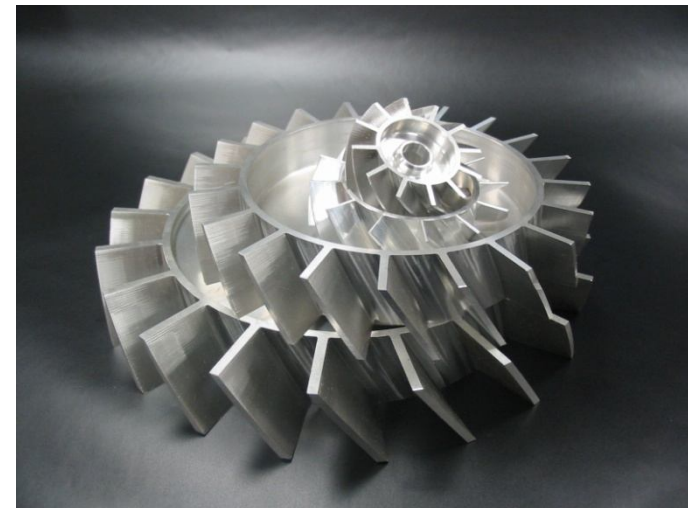

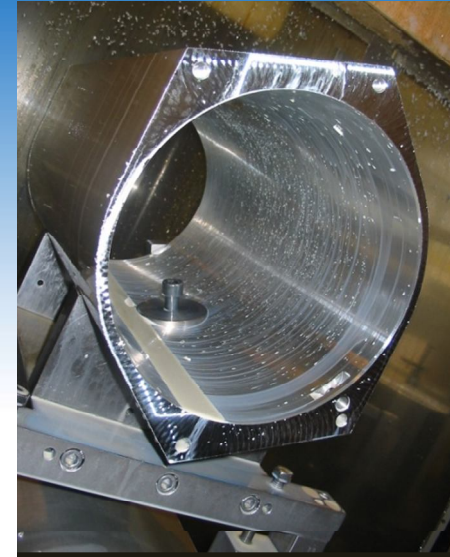

Pillen

Operating possibilities

- Pillen Precision
 - CNC turning
 - CNC milling/ CNC high speed milling
 - Assembling
 - Wire EDM (own toolshop)

Pillen

Markets

- Automotive
- Gas measurement
- Retail
- Fine mechanic
- Healthcare
- Lighting
- Electronics
- Electro
- Agricultural machinery

Pillen

Production technologies

- CNC controlled machinery
- CAD/CAM technology
- Rapid tool setting
- Climate controlled working atmosphere
- 24/7 usability

Pillen

Logistics

- ERP steering
- Quantity contracts / Call off
- Possibility for Consignment stock

- LEAN (lead time improvement)
 - Kanban
 - FIFO

Pillen

Future goals

- Deliver products with high added value
